Golden Valley was a place of no little importance on the second, as this was the day set aside for dedicating the beautiful little Evangelic church which has been erected there. As the morning was disagreeable there was not as large a crowd as would have come otherwise, yet the church was full and Rev. Tobias preached both morning and evening.

The church did all they could to entertain both man and beast and we can say that the day was a success in spite of the chilly weather. The collection of the morning amounted to \$41.90, besides the \$25 which John Brown, Mr. Pask, Mr. D. Ayers and Mrs. Funk each gave. The church has an above pulp giving a rare artistic look. QUI CHER TIME TO CALIFORNIA.
Of course it is via the Santa Fe Route—greatest railroad on earth! To be strictly accurate, we should say: quicker time to California.

You can now leave home in the morning and take solid train of Pullman and tourist sleepers at Ottawa the same afternoon via Emporia for Los Angeles and San Francisco.

Only 63 hours (2 1/2 days), Ottawa to Los Angeles. That beats going overland by wagon, the way they did years ago.

Talk it over with local Santa Fe Agent, and ask him for free copy of a pretty book, "To California and Back." You see we expect you to come back some time over the Santa Fe Route.

Matrimonial Troubles

Often arise out of shopping questions. It is when one wants to do it all the time that the other kicks generally. There are exceptions to all rules, however, and when there is money saved on every single purchase both sides of the house see it and are happy.

If you have Twins

You can send either one of them, and your child will be treated as kindly, and served as cheaply as yourself, for we don't want to get both sides of the house down on us at the same time. If the lord of the household is "hot" at us his wife will be pretty apt to pass by our store unless she herself wields the lever of the law.

In that Household!

So we'll strive to please and can guarantee you a saving of actual cash on every bill of goods. You can feed your families on less money and keep them better by trading with us than any other Grocery in the county.

You will smile

When you see our prices on fine Teas, Coffees, Spices, Sugars, Flour, Meal, Canned Goods, Pickles, Green and Dried Fruits, Oranges, Lemons, Nuts and Candies.
